## LA PETITE HOLLANDE, PLACE DU VIVRE-ENSEMBLE

An architectural rendering of a public square. In the foreground, a long wooden deck runs along a green area with tall grasses and a small pond. Several people are sitting on the deck, some eating. To the right, a paved walkway leads to a market with various stalls and tents. A man is riding a bicycle in the foreground. In the background, there are modern buildings, including one with a 'Simplygym' sign, and older European-style buildings. The sky is blue with some clouds.
